Day Use Permit Program

The Day-Use Permit Program allows the public to visit the park during posted hours once they've completed an hour-long orientation and obtained a permit. Regional Parks is offering these mandatory one-hour orientations, free of charge, which cover permit procedures, rules & regulations. After the orientation, participants receive Tolay Day-Use Permits, along with maps, park rules & regulations, and gate access cards. Permit holders may use the park for a variety of activities, including hiking, bicycling, picnicking, or horseback riding. Current park hours for permit holders are Saturday and Sunday from 8 am to sunset. Regular day-use parking fees apply.
