TOLAY LAKE REGIONAL PARK MASTER PLAN PROJECT

Introduction

The Sonoma County Regional Parks Department (Regional Parks) has prepared an Environmental Impact Report (EIR) for the proposed Tolay Lake Regional Park Master Plan. The EIR has been prepared in accordance with the provisions of the California Environmental Quality Act (CEQA) and the State CEQA Guidelines.

Project Location

Tolay Lake Regional Park is located at 5869 Cannon Lane in Sonoma County, approximately five miles southeast of the City of Petaluma. Tolay Lake Regional Park is comprised of two properties: a 1,737-acre area with primary access from Cannon Lane, a County-maintained road off Lakeville Highway, and the approximately 1,665-acre Tolay Creek Ranch, currently owned by the Sonoma County Land Trust (SLT). The Tolay Creek Ranch property abuts the southern boundary of the current Tolay Lake Regional Park property on the north, and Highway 121 on the south.

Draft EIR Public Review

Regional Parks is making this document available to local, state, and federal agencies and to interested organizations and individuals that may wish to review the EIR and submit comments. Comments should be focused on the sufficiency of the EIR in addressing and mitigating environmental impacts. Copies of the Draft EIR are available for review at the following public locations:
