## Agenda Items

### **1. Welcome and Land Acknowledgement** – Melanie Parker, Deputy Director, Sonoma County Regional Parks

The County of Sonoma recognizes that we are on the ancestral lands of the Coast Miwok, Pomo, and Wappo who are the original caretakers of this area. We respectfully acknowledge the Indigenous peoples who have been stewarding and maintaining relationship on this land as knowledge keepers for millennia. The County of Sonoma is dedicated to understanding and educating the public about historical and ongoing connections between land conservation and social inequities. This includes the histories of genocide, forced removal and displacement, and broken promises with Indigenous peoples as a part of American history. Indigenous people are not just in our histories. We strive to optimize Indigenous voices to share their own history, as to not perpetuate another form of being silenced. While recognizing the past, we honor the resiliency of Native people still in their ancestral territories in relationship with their land and culture.

This acknowledgement does not take the place of authentic relationships with Indigenous communities but serves as a gesture in respect to the land we are on.
