To make a reservation visit SoCoParks.org/Camping or call (707) 565-2267. Specific sites are not guaranteed due to the potential for unexpected conditions (flooding, fallen tree, etc.) No refunds will be allowed due to weather. Campsites A-F and H/B are for tent camping only.
- **Site Capacity:** A maximum of 8 people (including children) and two allowed vehicles may occupy an individual campsite. Camping fees include one vehicle per site as well as one towed vehicle or trailer. A second non-towed vehicle may be parked at most campsites for a fee of \$7 per night. There is no group campsite at Gualala Point.
- **Utility Hook-ups:** Gualala Point campsites do not have electrical hook-ups. Wastewater or gray water must be contained and disposed of at the RV dump station.

- **Campfires:** Campfires are allowed in designated barbecues and fire rings only. Burn all wood to ash, have enough water on hand to completely extinguish your fire and be sure the fire is completely out and cold before you leave it. Wood gathering is not allowed. Bundled wood is usually available for purchase from the campground host. Campfires are banned during Red Flag Warnings, high wind advisories and Spare the Air days. Gas stoves and barbecues are allowed unless otherwise prohibited.
